Our Bodies Ourselves, the organization that for almost 40 years has provided indispensable information on women's health and sexuality, has published a new book, *Our Bodies, Ourselves: Pregnancy and Birth*. The new book addresses the questions and needs of women during pregnancy, childbirth, and the "fourth trimester" of early motherhood. To learn more about the book and to discuss current controversies in maternity care, please join us to celebrate the release of *Our Bodies, Ourselves: Pregnancy and Birth*.

"*Our Bodies, Ourselves: Pregnancy and Birth* presents the most up-to-date and accurate information on pregnancy and childbirth. Our Bodies Ourselves is renowned for objective information that is presented without influence of pharmaceutical or other interests aside from those of women themselves."

-Judy Norsigian, Executive Director and  
co-founder of Our Bodies Ourselves
